Medical Information: CareMonkey

Bannockburn Camp will be using an online system, CareMonkey, for all campers medical and emergency contact information. CareMonkey is a secure, online system that is able to house all campers' information. You will be receiving an invitation to register an account with CareMonkey and fill out your child's medical and emergency contact information. **It is imperative that the camp has complete medical and emergency contact information for your child prior to the first day of camp.** If you are a Bannockburn student, camp will be using your child's already establish CareMonkey account for this information and you will not receive an email.

When you receive your invitation from CareMonkey, please take the time to fill out all information, paying particular attention to any section marked required. You will be receiving two medical forms that must be filled out. Please fill out all information so we have complete and accurate information for your child. CareMonkey is programmed to send out reminder emails until your child's medical profile is complete, therefore, you will continue to receive emails until the profile is complete. **Please have your child's profile completed prior to the first day of camp.**

I have read the above paragraph and agree to complete the CareMonkey registration to allow my child to participate in Bannockburn Camp 2018.
