PROGRAM OVERVIEW

Each week, a variety of fun and educational programs will be available for children aged 4 to 12. Camp mornings will focus on camp activities, outdoor play, arts and crafts, and gym games. In the afternoon, a specialty program will be offered for all full-day campers. Each week has a different speciality program! Additionally, each week will have a special in-house visitor to add to our overall camp experience.

FULL DAY HOT LUNCH OPTION

Our Bannockburn Full Day Camp Hot Lunch is provided by Pusateri's. This optional program offers a wide variety of nutritious and delicious items for our students to choose from. The program follows a "Build-Your-Child's-Lunch" method, where the parent can choose the food their child likes each day. We have designed this program to try to meet all the nutritional needs of students, while offering food the children will enjoy eating.

How to Order: CareMonkey will be used as our method to register for the Hot Lunch Program. In order to participate in the program, parents must first fill out an Initial Registration Form that will be sent from CareMonkey. This form is essential to being part of the lunch program, as Pusateri's will use this information to charge your credit card for payment for the lunch program. Once this is complete, you will receive the order forms for you to fill out to order lunch. Don't forget to hit submit when you have done filling out your information.

OUR SUMMER CAMP TEAM

Bannockburn Summer Camp staff are carefully selected for their experience, leadership skills and their ability to promote the values of independence, guided exploration and freedom within limits. Our low staff to child ratio ensures that staff can give each child more meaningful interactions and ensure that all children have a fun experience.

PROGRAMMING

HALF DAY PLAY CAMP

Weeks 1-6 (June 26 - August 4), Ages 4-5

Our youngest campers get to experience a fun and playful week. Campers participate in gym games, arts & crafts, creative construction, outdoor play, and even baking under the supervision of our qualified and experienced camp counsellors.

FULL DAY SPECIALISTY ACTIVITIES

MULTISPORTS

Weeks 1 (June 25-29), & 4 (July 16-20), Ages 4 - 12

Let the games begin! During multi-sports weeks, our campers will transform into sport superstars! Come and join the fun as our campers learn the fundamental skills in a variety of sports and athletic activities to be the best young athletes they can be. Multi-sports will focus on skill development, sportspersonship, fair play, and team work in a variety of sports such as floor hockey, basketball, kickball, badminton, flag football, soccer, table tennis, and rock climbing among others.

SCIENCE BONANZA

Week 2 (July 3-6), Ages 4-12

Put on your lab coat because it is about to get messy! Come and join us as we discover how and why things bubble, fizz, and foam. Discover, experiment, and problem solve, as we explore all things that make up our universe. Our science specialists will be your guide as you take part in hands-on experiments, explorations, and much more.

ART ATTACK

Week 3 (July 9-13), Ages 4 - 12

Use your imagination and creativity. Together, our campers will embark on a creative and artistic journey as they travel around the world meeting new artists and exploring themes. Our art specialist will teach children a vast array of skills such as sketching, drawing, painting, crafts, clay sculptures and much more. Our creativity will know no limits!

DRAMATIC ARTS WITH ACT ONE

Week 5 (July 23-27), Ages 4 - 12

Lights! Camera! Action! Using movement, vocals, improvisation and creative drama techniques, our children will stretch their imaginations, words, actions, and ideas to develop their performance skills. Act One, one of our beloved after-school programs, will be coming in to provide top notch drama programming this week!

S.T.E.M

Week 6 (July 30-August 3), Ages 4 - 12

Join us for a week of science, technology, engineering and math activities! Campers will engage in activities that allow them to inquire about the world and manipulate their environments. Our S.T.E.M specialists will guide campers through experiments, building and designing structures, as well as teaching age-appropriate computer technology skills. This week will surely bring out the creative designer in everyone!
