Program Overview

The Bannockburn Summer Camp offers fun-filled days where children meet new friends and have endless opportunities to explore. We believe in every child's capability to succeed and will support and encourage each child to reach their full potential.

Each week, a variety of fun and educational programs will be available for children ages 4 to 12. Camp mornings will focus on camp activities, outdoor play, arts and crafts and gym games. In the afternoon, a specialty program will be offered for all full-day campers. Each week has a different specialty program. Additionally, each week will have special in-house experiences to add to camp life.

Full-Day Hot Lunch Program

Our Bannockburn Full-Day Camp Hot Lunch is provided by Pusateri's. This optional program offers a wide variety of nutritious and delicious items for our students to choose from. The program follows a "Build-Your-Own-Child's-Lunch" method, where the parent can choose the food the child likes each day. We have designed this program to try to meet all the nutritional needs of students while offering food the children will enjoy eating.

How to Order: Operoo will be used as our method to register for the Hot Lunch Program. In order to participate in the program, parents must first fill out an Initial Registration Form that will be sent from Operoo. This form is essential to being part of the lunch program, as Pusateri's will use this information to charge your credit card for payment for the lunch program. Once this is complete, you will receive the order forms for you to fill out to order lunch. Don't forget to hit submit when you have finished filling out your information.

Please be aware that all nut products are prohibited at Bannockburn.

Our Summer Camp Team

Bannockburn Summer Camp staff are carefully selected for their experience, leadership skills and their ability to promote the values of independence guided exploration and freedom within limits. Our high staff to child ratio ensures that staff can give each child more meaningful interactions and ensure that all children have a fun experience.

Covid-19 Protocol

As we continue to monitor provincial health and safety guidelines due to the COVID-19 pandemic, we are moving forward with our planning process for 2021 Summer Camp. To ensure the safety of all children, staff and families, we will be modifying our camp policies, processes and structure to allow the delivery of high-quality programs under these unique circumstances. Bannockburn Camp will adopt all best practices outlined by the provincial government, in the same manner, protocols were implemented throughout the school year that have proven to be a successful model for the safety of our community. In order to ensure the health and welfare of the community, we reserve the right to modify any program to comply with these safety requirements. More information will become available as we continue to adapt to the current landscape of this pandemic.
